The Tip Jar

As we move towards a cashless society, it is becoming harder for guests to leave a small tip for the team. So we have taken the step of adding a discretionary 10% contribution to the tip jar to your bill. Every penny goes to the team who have been looking after you and there are no admin fees or big boss deductions. If, for any reason, you would prefer not to leave a tip please let us know and we will remove this immediately.
